

RECRUIT & ADVANCE TRAINING SEABAG REQUIREMENTS

FORT CUSTER COMBINED TRAINING

All items must be labelled with your last name. For stenciling on black items such as socks – use the silver sharpie pen. All cadets have the same sea bag list, same items – labelling is essential. All items must fit in Seabag except bedding. Bedding may be placed in a garbage bag. To speed up seabag inspection, put all like items in zip lock bags with contents & amount labelled on the outside.

A NOTE ABOUT LAUNDRY

- There are limited laundry facilities on the base, and cadets will **not** be given the opportunity to do laundry individually whenever they wish. Cadet laundry items are washed together assembly-line fashion on a schedule to maximize efficiency. For this reason, it is essential that all cadet items be labelled and that they bring enough items like socks and underwear, which sometimes need to be changed more frequently than once per day. Socks and undergarments will be washed together in each cadet's own pre-labelled large or small mesh laundry bag.
